Attention: Isotopes Branch
Division of Materials Licensing

Gentlemen:

I hereby apply for revision to our present U. S. Atomic Energy Commission Byproduct Material License 12-00140-04, Amendment No. 11. We desire to change the possession limit on Prometheum-147 from the present limit of one curie to ten curies. No other changes are desired in the license. The use contemplated is as a sealed source.

Yours very truly,

SINCLAIR RESEARCH, INC.
