U.S. Nuclear Regulatory Commission  
Radioisotopes Licensing Branch  
Division of Fuel Cycle and Material Safety  
Washington, D.C. 20655

Gentlemen:

In regard to NRC Licenses 12-00140-04 and 12-00140-05 issued to Atlantic Richfield Company, due to change in job responsibilities we would like to change the Chairman of the Radioisotope Committee and Radiation Protection Officer from Dr. A. I. Snow to Mr. George A. Uhl. We would like to reconstitute the Radioisotope Committee as follows: George A. Uhl, Chairman; Dr. A. I. Snow, Member; L. A. Baillie, Member; and R. G. Cogan, Member.

The qualifications of Messrs. Uhl, Snow and Baillie are on record.

Mr. Cogan is Safety Supervisor for Health and Safety at our Harvey Technical Center. He has had over 41 years of service at our research laboratories involving 7 years of running various laboratory analyses, 11 years as an operator of Pilot Plant units of various sizes and types and 23 years as a supervisor within the Laboratory Services section. He has had safety-related schooling at the National Safety Council in the Key Man Development Program, Fundamentals of Occupational Safety, Basic Industrial Hygiene and Instrumentation Technology. In addition, he has had a variety of other safety courses.

We would appreciate your acknowledging receipt of this letter and changes in responsibilities as indicated above.

Yours very truly,

Dr. A. I. Snow  
Senior Consultant
