**DOCKET 50-255 - LICENSE DPR-20 - PALISADES PLANT
NOTIFICATION OF CONSUMERS ENERGY RESTRUCTURING**

Consumers Energy Company has filed an application with the Federal Energy Regulatory Commission (FERC) at FERC Docket No. EC01-04-000 to transfer jurisdictional transmission facilities to the Michigan Electric Transmission Company (Michigan Transco), a wholly owned subsidiary of Consumers Energy. The transfer of all associated assets should be complete in the first half of 2001. Consumers Energy Company's status as an electric utility and the continued safe operation of the Palisades Plant are not affected by this transfer.

Should you have any questions, would like to receive a copy of the application, or require further information, please contact Mr. Robert A. Vincent, Licensing Supervisor, at (616) 764-2559.
