Re: Millstone Nuclear Power Generating Station
Docket No. 50-423-LA-3

Dear Sirs:

Please be advised that the Atomic Safety and Licensing Board Panel assigned to these proceedings has issued an order dated December 19, 2000 responding to the CCAM/LICAM Intervenor's Motion to Reopen and to Vacate dated December 18, 2000. The order directs the Licensee, Northeast Nuclear Energy Company, to respond to the Intervenor's motion as to (a) jurisdictional issues and (b) the merits of the motion on or before January 8, 2000.

Please advise the Commission accordingly.

Thank you for your assistance.

Sincerely,

Nancy Burton, Esq.

Encl.
