Docket No. 72-11  
Rancho Seco Independent Spent Fuel Storage Installation  
**Rancho Seco Independent Spent Fuel Storage Installation Physical Protection Plan**

Attention: Randy Hall

Attached is a revision to page 6-2 of the Rancho Seco ISFSI Physical Protection Plan (PPP), Amendment 0. Based on discussions with the NRC, this revision to page 6-2 replaces the version previously submitted in SMUD letter MPC&D 00-004, dated January 13, 2000. Please replace page 6-2 in the previously submitted PPP with the attached page 6-2.

The District has determined that the information attached to this transmittal letter (i.e., the cover letter and the revised page 6-2) is Safeguards Information and shall be afforded the protection under 10 CFR 73.21. Accordingly, the attached cover letter and revised page 6-2 may not be placed in the Public Document Room.

However, this transmittal letter, when removed from the attached cover letter and revised page 6-2, is not Safeguards Information and may be placed in the Public Document Room.

If you, or members of your staff, have questions requiring additional information or clarification, please contact Bob Jones at (916) 732-4843.

Sincerely,

A handwritten signature in black ink that reads "Tom Tucker for".

Steve Redeker  
Manager, Plant Closure & Decommissioning
