MEMORANDUM TO: T. Scarbrough, Senior Mechanical Engineer, Mechanical and Civil Engineering Branch, Office of Nuclear Reactor Regulation

FROM: G. E. Grant, Director, Division of Reactor Projects, Region III */RA/*

SUBJECT: MEMORANDUM OF APPRECIATION FOR SIGNIFICANT CONTRIBUTION TO THE D.C. COOK 10 CFR 50.59 AND PERMANENT MODIFICATIONS TEAM INSPECTION

This memorandum is to express my appreciation for your assistance to the 10 CFR 50.59 and Permanent Modifications Team Inspection at D.C. Cook from November 14 through November 17, 2000. Your technical expertise and thorough inspection techniques were vital to the evaluation of the operability of Unit 1 motor operated valves. Your observations and assessments were a valuable source of input to the deliberations regarding the restart readiness of D.C. Cook Unit 1. The experience and technical expertise you brought to this assignment were essential to the team and your hard work and dedication to the project were much appreciated.

Again, thank you for a job well done.
