Luis Reyes
District Director
US Nuclear Regulatory Commission
Region II
61 Forsyth Street SW Suite 23T85
Atlanta GA 30303

Dear Mr. Reyes:

I would like to express my sincere appreciation for your support and cooperation during my tenure as Environmental Health Secretary in the Department of Health from January 1993 to December 31, 2000.

Undoubtedly your support and technical assistance was an important factor in the attainment of the goals of the Department, in the area of Environmental Health and it contributed to the enhancement of the health of our people.

I am certain that the same cooperation and support that I received will be offered to my successor.

With my sincere appreciation, I remain,

Cordially yours,

Hernan Horta Cruz
Auxiliary Secretary for
Environmental Health
