Dear Mr. Slater:

This is in response to your letter dated November 29, 2000, requesting our review and comment on your annual survey of languages, world areas, and fields of study critical to the nation. We have reviewed your list and do not have any additions or deletions to recommend at this time. Although foreign language proficiency is desirable, there are currently no positions at NRC that require proficiency in a foreign language. Thank you for this opportunity to participate in your survey.

Sincerely,

/S/

Janice Dunn Lee, Director  
Office of International Programs
