Dr. Charles N. Kelber
Atomic Safety and Licensing Board
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

In the Matter of
Florida Power and Light Company
(Turkey Point, Units 3 and 4)
Docket Nos. 50-250/251-LR; ASLBP No. 01-786-03-LR

Gentlemen:

On page 17 of FPL's Response to Contentions of Mark P. Oncavage and Joette Lorion, FPL cited to the Commission's decision in the Calvert Cliffs case and indicated that a petition for certiorari had been filed. On January 8, 2001, the Supreme Court denied the petition for certiorari in that case.

FPL has also discovered two errors in its citations. On page 25 of FPL's response, in the eighth line, the citation should have referred to section 4.10 (rather than 4.2) of the Environmental Report. On page 28, in the fifth line, the citation should have referred to section 4.2.3.1.2.2 (rather than 4.2.3.1.2.1) of the draft Standard Review Plan.

Sincerely,

David R. Lewis
Counsel for FPL
