Perry Nuclear Power Plant
Docket No. 50-440

Subject: Withdrawal of Relief Request IR-047

Ladies and Gentlemen:

An Inservice Examination Relief Request, IR-047, which deals with reactor vessel nozzle-to-vessel welds for the Perry Nuclear Power Plant (PNPP), was submitted by letter dated October 5, 2000 (PY-CEI/NRR-2518L). The PNPP staff has recently learned that the NRC staff has technical concerns with the use of Code Case N-613. Since IR-047 is based upon the use this Code Case, the PNPP staff has decided to withdraw this relief request.

If you have questions or require additional information, please contact Mr. Gregory A. Dunn, Manager - Regulatory Affairs Section, at (440) 280-5305.

Very truly yours,

for John K. Wood
