SUBJECT: RESPONSE TO YOUR APRIL 7, 1998 LETTER

Dear Dr. Resnikoff:

I am responding to your April 7, 1998, letter in which you requested that you be added to "... the cc list for NRC correspondence re: PFS." For the Private Fuel Storage, L.L.C. (PFS) license application to construct and operate an independent spent fuel storage installation on the reservation of the Skull Valley Band of Goshute Indians, a service list is maintained for only the parties directly involved in the licensing process. The Nuclear Regulatory Commission's (NRC's) Office of the General Counsel maintains a separate service list for parties involved in the Atomic Safety and Licensing Board adjudication process. Representatives of the State of Utah, with which you are associated in this matter, are on both lists.

Copies of all docketed information associated with the PFS application (Docket 72-22) are available from the NRC's Public Document Room (PDR) located at 2120 L Street, N.W., Washington, DC 20003 and at local public documents rooms (LPDRs) throughout the United States. One such LPDR is at the White Plains Public Library, 100 Martine Avenue, White Plains, New York 10060. The White Plains Public Library can be reached at 914-422-1477. I am enclosing a brochure which will explain how to use the PDR and LPDRs.

If you have any further questions in this regard, you may contact me at (301) 415-8518.

Sincerely,
