SUBJECT: CLARIFICATION OF REQUEST FOR ADDITIONAL INFORMATION (TAC NO. L22462)

Dear Mr. Parkyn:

On December 18, 1998, the staff of the U.S. Nuclear Regulatory Commission requested additional information to prepare the draft environmental impact statement (EIS) for Private Fuel Storage, L.L.C.'s (PFS's) application to construct and operate an independent spent fuel storage installation located on the reservation of the Skull Valley Band of Goshute Indians. The additional information is needed to supplement information contained in PFS's environmental report (ER). To assist PFS in responding to the request for additional information (RAI), a matrix correlating each question to the applicable ER section was developed. This correlation document is being provided to you to help focus your response to the RAIs.

If you have any comments or questions regarding this request, please contact Mr. Francis Young at (301) 415-3207 or Mr. Mark Delligatti at (301) 415-8518.

Sincerely,
