SUBJECT: CHANGE OF PROJECT MANAGER

Dear Admiral Baucom:

This letter is to advise you that Mr. John M. Pelchat has been temporarily assigned as the Project Manager for the Department of the Navy's Master Materials License (MML) of Broad Scope, replacing Mr. Michael L. Fuller. Mr. Fuller will be on a special assignment for approximately three months. The effective date is January 2, 2001, and it is anticipated that Mr. Fuller will be resuming his normal duties beginning April 1, 2001.

Mr. Pelchat has been a member of the Region II staff for several years, with vast experience in both licensing and inspection of radioactive materials. He also served as the Navy MML Project Manager in years past.

Mr. Pelchat may be reached at (404) 562-4729, or by e-mail, JMP2@NRC.gov.

If you have any questions, please contact me.

Sincerely,

/RA/

Douglas M. Collins, Director
Division of Nuclear Materials Safety
