Private Fuel Storage Facility
Docket No. 72-22
Submittal of Security Plan

By letter dated June 20, 1997, Private Fuel Storage L.L.C. applied for a license to construct and operate and Independent Spent Fuel Storage Installation at a site located on the Skull Valley Indian Reservation in Tooele County, Utah. The Security Plan for the proposed Private Fuel Storage Facility is attached. This plan is being submitted in accordance with the requirements of 10 CFR Part 72, Subpart H, to support the June 20, 1997 application for a license to construct and operate the Private Fuel Storage Facility Independent Spent Fuel Storage Installation.

The attachment to this letter contains Safeguards Information as identified by the Commission in 10 CFR Part 73, Section 73.21. **The attached submittal should not be made available for inspection and should not be placed in the public document room.** Please contact us if you have any questions or require any further information regarding the attached plan.

Sincerely,

John D. Parkyn
Chairman of the Board
Private Fuel Storage L.L.C.
