SUBJECT: DISCONTINUATION OF APPLICATION REVIEW

Dear Mr. Glick:

This letter is in response to your electric mail January 29, 2001, requesting extension of the deadline for your response to our letter dated December 6, 2000. At the present time, we can not grant your request and will discontinue the review of your application for the Model CPC-48 thickness gauge as of today. This is without prejudice to re-submission of your application with the additional information requested. If you decide to re-submit your application for registration, please ensure that you have included sufficient and complete information to allow NRC to evaluate the design of your thickness gauge Model CPC-48.

If you have any questions, please contact me at (301) 415-5787 or Dr. John Jankovich at (301) 415-7904.

Sincerely,

/RA/
