DOCKETED  
USNRC

Docket Nos. 50-333-LT and 50-286-LT (consolidated) -- In the Matter of POWER  
AUTHORITY OF THE STATE OF NEW YORK and ENTERGY NUCLEAR  
FITZPATRICK LLC, ENTERGY NUCLEAR INDIAN POINT 3 LLC, and  
ENTERGY NUCLEAR OPERATIONS, INC. (James A. FitzPatrick  
Nuclear Power Plant and Indian Point Nuclear Generating Unit No. 3)

Dear Mr. Hom,

The Citizens Awareness Network, Inc. received the NRC Staff's Notice submitted January 16, 2001, identifying sponsoring witnesses to present the Safety Evaluation Reports on the license transfer applications for the James A. FitzPatrick and Indian Point Unit 3 reactors. The Notice indicated that these witnesses will be prepared to present testimony at the scheduled oral hearing. CAN believes that the NRC Staff's participation in the hearing is valuable and meaningful for resolving the disputed issues.

In order to expedite and maintain the transparency of the proceeding, and to assist the parties in preparing proposed questions to NRC Staff's witnesses, CAN would appreciate the NRC Staff providing written copies of the witnesses' testimony. This would enable parties to understand the purpose of each witness's testimony, as well as their experience and qualifications, in order to better propose appropriate and specific questions. We appreciate your participation in the proceeding and your attention to this request.

Sincerely,

Timothy L. Judson  
Citizens Awareness Network, Inc.
