Re: Freedom of Information Act Request - Bausch & Lomb's AEC Licenses and Registrations

To Whom It May Concern:

Leader Environmental, Inc. is interested in reviewing all records now in the possession of the NRC related to the following former US Atomic Energy Commission licenses and registrations:

- AEC License No. STB-117;
- AEC Registration Nos. 0224 and 0833;
- AEC License Nos. 31-1832-1 and 31-1832-2; and,
- AEC License No. SNM-527.

The subject licenses and registrations pertained to B&L facilities on St. Paul Boulevard and Suntru Street in Rochester, New York.

Please call me at (716) 248-2413 so that we can discuss applicable fees and make arrangements to expedite our review of the pertinent B&L files. Thank you.

Very truly yours,
