Dear Heather:

A. Fred Dohmann, as new general manager of the Muskogee facility, will be the point of contact for the Fansteel Muskogee site decommissioning. Documents requiring a signature of behalf of the corporation will continue, as before, to be signed by me as an officer of Fansteel Inc.

Sincerely yours,

A handwritten signature in black ink, appearing to read "M. J. Mocniak". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
