Dear Mr. Haque:

Fansteel is currently performing review of its internal regulatory administrative process and the license. Upon completion of this review, it is anticipated that a new license amendment request will be submitted. The scope of the new amendment request will encompass issues identified during this review, NRC Staff Review (Reference 1), as well as other license enhancement items discussed with the NRC staff.

Therefore, Fansteel requests withdrawal of the License Amendment Request dated January 18, 2000 (Reference 2).
