To whom it may concern:

Under the provisions of the Freedom of Information Act, 5 U.S.C. Sec. 552, I am requesting the following documents:

* All correspondence (including faxes, e-mails and records of phone calls) between the Nuclear Regulatory Commission and Carolina Power & Light regarding health and safety concerns raised by people living near the Shearon Harris nuclear plant in Wake County, North Carolina. This would include people living in Harnett, Lee and Chatham counties. I would like all such documents since 1995.

If the fees for searching for, or copying, the records I have requested will exceed \$100, please inform me before you fill my request. If the fees will be \$100 or less, please supply the records without informing me of the cost.

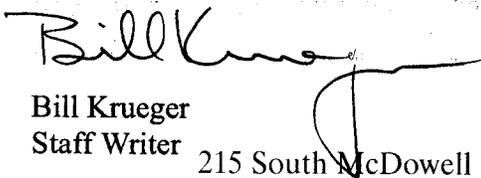

As you know, the Act permits you to reduce or waive the fees when release of the information is considered as "primarily benefitting the public." I believe that this request fits that category and I therefore ask that you waive any fees.

If all or any part of this request is denied, please cite the specific exemption(s) which you think justifies your refusal to release the information and inform me of your agency's administrative appeal procedures available to me under the law.

I would appreciate your handling this request as quickly as possible, and I look forward to hearing from you within 20 working days, as the law stipulates.
