

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

February 8, 2001

Dr. John Taschner, Chairman
c/o Ms. Nancy Johnson
Secretariat - Accredited Committee N43
1313 Dolly Madison Boulevard
Suite 402
McLean, VA 22101

Dear Dr. Taschner:

I would like to nominate Ms. Michele L. Burgess to replace Donald Nellis as the authorized NRC representative on the Subcommittee on Apparatus for Gamma Radiography (N43.9). Ms. Burgess is a Mechanical Engineer within NRC and is responsible for safety evaluations of sealed sources and devices for licensing and registration in accordance with 10 CFR 32.210.

In accordance with the Office of Management and Budget Circular A-119, "Federal Participation in the Development and Use of Voluntary Consensus Standards and in Conformity Assessment Activities," February 19, 1998, the participation on a committee of an NRC-authorized representative does not connote agency agreement with, or endorsement of, decisions reached by the committee, or of standards approved and published as a result of the committee's efforts. Agency representatives participating on a standards developing groups will, to the extent possible, ascertain the views of the agency on matters of interest and will express views that are consistent with established agency views.

Correspondence should be addressed to:
