33. ---	---	MC 1246 App. B Section XV	01/05/01

TRAINING: No special training requirements have been identified for any documents issued with this change notice.

REMARKS: MC 1246 text is revised to reflect changes in management titles due to reorganization; to clarify the qualifications of a peer-level board member and the qualifications needed for individuals performing decommissioning activities; and to change titles of some classifications.

MC 1246 Appendix A is revised to reflect changes in titles of some classifications and the addition of two new classifications. Specifically, Section XIV, "High-Level Waste Repository Inspector," and Section XV, "High-Level Waste Repository License Technical Reviewer," have been added.

MC 1246 App. A Section I is revised to add a course in Core and Specialized Training and require Licensing Visits to core licensees.

MC 1246 App. A Section II is revised to change the title and change a course title in Specialized Training.

MC 1246 App. A Section III is revised to change required Core and Specialized Training courses. The Health Physics Topical Review course is added to Refresher Training.

MC 1246 App. A Section IV is revised to change required Core Training courses.

MC 1246 App. A Section V is revised to add courses to the required Core Training.

MC 1246 App. A Section VI is revised to change courses in Core Training and add a course in Specialized Training; to move a Core Training course to Supplemental Training; and to delete the course specified in Refresher Training.

MC 1246 App. A Section VII is revised to change required Core and Specialized Training courses.

MC 1246 App. A Section VIII is revised to clarify Specialized Training area and to delete Uranium Recovery and Decommissioning Specialized Training courses.

MC 1246 App. A Section IX is revised to change a title of a course in Core Training and to add a course to Specialized Training.

MC 1246 App. A Section X is revised to change required Core and Specialized Training courses.

MC 1246 App. A Section XI is revised to add a course to Core Training.

MC 1246 App. A Section XII is revised due to minor word deletions.

MC 1246 App. A Section XIII is revised to change the title and to delete courses from Core Training.

MC 1246 App. A Section XIV is added for a new classification to specifically identify the training requirements for a "High-Level Waste Repository Inspector."

MC 1246 App. A Section XV is added for a new classification to specifically identify the training requirements for a "High-Level Waste Repository License Technical Reviewer."

MC 1246 Appendix B is revised to reflect changes in titles of some classifications, minor changes in the titles in the basic requirements paragraph, and the addition of Training and Qualification Journals for two new classifications. Specifically, Training and Qualification Journals have been added for Section XIV, “High-Level Waste Repository Inspector,” and Section XV, “High-Level Waste Repository License Technical Reviewer.”

MC 1246 App. B Section I is revised to reflect formal training and required licensing visits in Appendix A and to update references in the qualification guides.

MC 1246 App. B Section II is revised to reflect a change in title and the formal training in Appendix A and to update the references in the qualification guides.

MC 1246 App. B Section III is revised to reflect formal training in Appendix A and to update references in the qualification guides.

MC 1246 App. B Section IV is revised to reflect formal training in Appendix A and to update references in the qualification guides.

MC 1246 App. B Section V is revised to reflect formal training in Appendix A and to update references in the qualification guides.

MC 1246 App. B Section VI is revised to reflect formal training in Appendix A and to update references in the qualification guides.

MC 1246 App. B Section VII is revised to reflect formal training in Appendix A and to update references in the qualification guides.

MC 1246 App. B Section VIII is revised to reflect formal training in Appendix A and to update references in the qualification guides.

MC 1246 App. B Section IX is revised to reflect formal training in Appendix A and to update references in the qualification guides.

MC 1246 App. B Section X is revised to reflect formal training in Appendix A; to add a Qualification Card and Guide for Industry Codes and Standards; and to update references in the qualification guides.

MC 1246 App. B Section XI is revised to reflect formal training in Appendix A; to modify the Qualification Card and Guide 6; to add a reference to ADAMS; and to update references in the qualification guides.

MC 1246 App. B Section XII is revised to update references in the qualification guides.

MC 1246 App. B Section XIII is revised to reflect a change in title and the formal training in Appendix A; to add a Qualification Card and Guide for Site Familiarization Visits, and to update references in the qualification guides.

MC 1246 App. B Section XIV is added to document the Training and Qualification Journal for the new classification of “High-Level Waste Repository Inspector.

MC 1246 App. A Section XV is added to document the Training and Qualification Journal for the new classification of “High-Level Waste Repository License Technical Reviewer.
