Dear Mr. Ruffin:

The subject task orders have expired and we are initiating closeout action. However, pending completion of all closeout requirements, it is necessary to deobligate funds from these task orders for other immediate agency requirements.

This modification deobligates excess funds. Therefore, the cost ceiling under the task orders are hereby decreased as follows:

003	01	\$ 111.97	\$ 41,030.00	\$ 40,918.03	\$37,916.03	\$3,002.00

The accounting data is as follows:

It is requested that you send your overhead rate proposal in accordance with Clause 52.216-7, Allowable Cost and Payment, for the applicable fiscal years covered by these task orders, with a copy sent to the cognizant audit agency contact.

When the final cost determination has been made, you will be notified and requested to submit your final invoice/voucher within sixty (60) days, together with the Final Release, General Assignment and Certification regarding application of proceeds from refunds, rebates, credits and other amounts required by Payments clause of the contract as a condition to final payment. The necessary forms will be sent to you with that notification.

You are hereby reminded that your contract records must be preserved for possible access by the Comptroller General in accordance with the clause 52.215-1, Examination of Records.
