Modification No. 2 to Task Order No. 13 Under Job Code L1965
Contract No. NRC-09-97-205

Title: Financial Management Advice and Guidance

Technical Monitor: Robert E. Rakowski, OCFO - (301) 415-7340
Designated Alternates: Anthony C. Rossi, OCFO - (301) 415-7379
Barbara K. Gusack, OCFO - (301) 415-6054

Background

Since the passage of the Chief Financial Officers Act of 1990, the Nuclear Regulatory Commission (NRC) must comply with new Federal financial accounting standards and reporting requirements. The Office of the Chief Financial Officer (OCFO) of the NRC requires financial management advice and guidance concerning accounting and audit issues that affect the NRC's annual financial statements, accounting policy, and operations. The OCFO also seeks assistance in the preparation of the annual financial statements and compilation documentation, account reconciliations, and other general financial and accounting support tasks.

Objective

The objective of this task order is to obtain financial management advice and guidance concerning accounting and audit issues that affect the NRC's annual financial statements, accounting policy and operations. Contractor assistance will include the review of exposure drafts and revisions to Statements of Federal Financial Accounting Standards (SFFAS); the NRC Accounting Policy Manual; OMB Form and Content for Agency Financial Statements; implementing guidance published by Federal oversight agencies; and operating procedures, etc.

Work Requirements

The contractor shall provide qualified personnel to complete the following tasks:

- A. Financial Management Advice and Guidance:
 - 1. Review exposure drafts and revisions to Statements of Federal Financial Accounting Standards (SFFAS); the NRC Accounting Policy Manual; OMB Form and Content for Agency Financial Statements; other relevant OMB Bulletins; implementing guidance published by Federal oversight agencies; and operating procedures, etc.

Upon completion of the reviews mentioned above, advise the Division of Accounting and Finance (DAF) concerning audit issues that affect the NRC's annual financial statements, accounting policy and operations.

2. Provide written recommendations on how to correct identified financial weaknesses (e.g., audit findings and internal controls), advise and assist with the implementation of corrective actions. The NRC Project Officer or designated alternate may determine that written recommendations are unnecessary and an oral response is adequate.
3. Assist NRC's DAF with preparing accounting information requested by OMB as it relates to the annual financial statement and accountability report.
4. Provide biweekly progress reports commencing with the month of February 2001 on all active task orders and monthly fixed priced areas that include commercial payments, federal payment voucher tracking and follow-up, and debt collection. The contractor shall follow the attached form for preparing the biweekly progress reports; however, this format is subject to change at the discretion of the NRC Project Officer.

The biweekly progress reports shall contain accomplishments, problems encountered, and additional work projects.

5. At the beginning of each month, provide a monthly listing, commencing with the month of, of February 2001 all contractor staff, their current assignments, scheduled absences for the month, the reason for the absence, and the names of the individual to perform work in the person's absence.

Period of Performance

Modification No. 2 to Task Order No. 13 shall commence on February 1, 2001, and expire on September 30, 2001.

Deliverables

The contractor shall provide written advice, guidance, and recommendations that are clear, organized, and concise. The Project Officer or designated alternates may determine that written advice, guidance, and recommendations are unnecessary and an oral response is adequate for a particular task.

Provide a biweekly progress report on all active task orders and the monthly fixed price areas of the contract.

Provide a monthly listing of contractor staff and pertinent information as described under item No. 5 above.

Meetings

The contractor shall attend approximately five (5) status meetings at NRC's Two White Flint North Building located at 11545 Rockville Pike, Rockville, Maryland. The date and time of each meeting will be coordinated between the contractor and the NRC Project Officer or designated alternates.

NRC Furnished Materials/Equipment

The NRC shall provide the contractor with the following items for use under this task order:

- ▶ Computer reports, financial and accounting documents, and other documentation relevant to this task order.
- ▶ Personal computers, calculators, telephones, copy and facsimile machines will be provided to certain on-site contractor staff for support of this task order.

Progress Payments

Payments under this task order shall be in accordance with contract clause B.24, "Progress Payments - Commercial Items."
