3.0 PERSONNEL INDOCTRINATION

NOTE

A safety assessment was performed for the procedure and is determined to be outside the scope of 10CFR50.59.

3.1 Definitions

Activate - To provide notification to emergency response personnel of the need to respond to the TSC/OSC for staffing and operation.

Operational - The minimum functions and communication links are established, required equipment is in proper working order, and the EC has assumed responsibility and authority for the emergency condition.

3.2 Responsibilities

- 3.2.1 The Emergency Coordinator notifies Security to ensure necessary notifications are completed during the declared emergency condition at CR-3.
- 3.2.2 Nuclear Security ensures emergency response personnel are notified in accordance with this procedure.
- 3.2.3 The Training Department provides data entry, verification, generation and distribution of Emergency Team Rosters.
- 3.2.4 The Supervisor Technical Training ensures overall accuracy and effectiveness of TIS for Emergency Team Rosters.
- 3.2.5 The Supervisor Emergency Preparedness ensures quarterly reviews of Emergency Roster Call Lists and submits changes as necessary.

3.3 Limits and Precautions

- 3.3.1 The Emergency Group Pager system is not intended to take the place of manual phone notification of emergency personnel during backshift, weekend or holidays.
- 3.3.2 Once the TSC is operational, the Emergency Coordinator determines the number of additional personnel to cope with the emergency and ensures appropriate calls are made from the Emergency Roster Call Lists. [NOCS 1870]

4.0 INSTRUCTIONS

4.1 Instructions For Notifying TSC and EOF Staff

- 4.1.1 Activation of the TSC and EOF is performed by Nuclear Security when the Emergency Coordinator notifies Nuclear Security to activate either the TSC or EOF.
- 4.1.2 Immediately upon request from the Emergency Coordinator to activate the TSC or EOF, Nuclear Security will:
 - 4.1.2.1 **All Shifts**
GO TO Section 4.2.1 for the TSC and/or 4.2.2 for the EOF as requested, AND ACTIVATE the emergency group pagers.
 - 4.1.2.2 **Backshift, Weekend or Holiday**
In addition to activation of emergency group pages for the TSC or EOF, BEGIN phone notification of the TSC or EOF staff using the weekly on-call list.
- 4.1.3 IF phone contact is not made from the weekly on-call list for the TSC, THEN GO TO Enclosure 1 and NOTIFY a minimum of one person from the positions you were unable to contact.
- 4.1.4 UNLOCK the entrance doors to the TSC.
- 4.1.5 IF pagers do not activate, THEN begin additional notifications of personnel from Enclosure 1, page 2.

4.2 Notification Methods

4.2.1 TSC - Activation of Emergency Group Pagers

Title: EMERGENCY PLAN ROSTER NOTIFICATION

MINOR CHANGES

If Minor Changes are included, check the applicable box(es) and provide a list of affected steps. The following corrections are incorporated throughout:

- | | |
|---|---|
| <input checked="" type="checkbox"/> Sentence Structure | <input type="checkbox"/> Redundant words or phrases |
| <input checked="" type="checkbox"/> Punctuation | <input type="checkbox"/> Abbreviations |
| <input checked="" type="checkbox"/> Capitalization | <input type="checkbox"/> Obviously incorrect units of measure |
| <input type="checkbox"/> Spelling | <input type="checkbox"/> Inadvertently omitted symbols (#, %, etc.) |
| <input checked="" type="checkbox"/> Organizational Changes: position titles, department names, or telephone numbers | <input type="checkbox"/> Obvious step numbering discrepancies |
| | <input checked="" type="checkbox"/> Format |

The following corrections are incorporated in the step(s) indicated: "Throughout" is used in lieu of Step# if a specific change affects a large number of steps.

Correcting equipment nomenclature that does not agree with field labels or balance of procedure

Changing information that is obviously incorrect and referenced correctly elsewhere

Misplaced decimals that are neither setpoint values nor tolerances

Reference to a procedure when an approved procedure has taken the place of another procedure

Fixing branching points when it is clear the branching steps were originally intended but were overlooked or incorrectly stated due to step number changes

Adding clarifying information such as NOTES and CAUTIONS

Adding words to clarify steps, NOTES, or CAUTIONS which clearly do not change the methodology or intent of the steps

Title: EMERGENCY PLAN ROSTER NOTIFICATION

NON-INTENT CHANGES

Changes are incorporated for the reasons provided. "Throughout" is used in lieu of Step # if a specific change affects a large number of steps. For new or cancelled procedures the reason is provided.

Throughout

Revised to change to new AI-402B format.
Changed FPC Corporate to Corporate
Changed "Generating Complex" to "Energy Complex"

2.0

Alphabetized developmental References. Changed developmental references to reflect regulatory references instead of POQAM references.

3.1

Deleted Notification definition. The word Notify is an approved word and has the same meaning as Notification

3.2

Changed Nuclear Ops Trainig Specialist to Training Department
Changed Supervisor Nuclear Operations Training Administration to Supervisor Technical Training.
Changed Manager REP to Supervisor Emergency Preparedness

4.2 anf 4.3

Moved all of Section 4.3 to Section 4.2 and vice versa. Renumbered accordingly. This makes the procedure flow better.

4.3.2.4

Revised instructions for obtaining team informatiojn. Instructions are on the screen in the TIS data base.

Enclosure 1-5

Replaced all TSR pager numbers with new ARCH pager numbers. Other changes made due to personnel changes and phone number changes.

Enclosure 1, pge 2 of 2

Deleted Medical Assessment. These individuals will no longer be at CR-3.
