Modification No. 37 Page 2 of 3

The purpose of this modification is to: (1) accept Sytel, Inc. voluntary accounting change to combine labor overhead pool of division one and two, eliminate material and subcontract handling pools, and change the method by which Sytel will allocate general and administrative expenses from a value added base to the total cost input base; and (2) incorporate indirect cost billing rates for Fiscal Year 1999. This modification is based on Sytel's VP of Finance & Administration, Mr. Lee Loman's, letters dated March 31, 1999, and April 19, 1999, to the cognizant audit office requesting the government's review of its revised indirect rate structure and provisional indirect rate information for FY 1999, and Defense Contract Audit Agency Audit Reports number: 6221-99J15500207 dated August 18, 1999, 6221-99J17900201 dated August 19, 1999, and 6221-99J17740201 dated September 17, 1999. Accordingly, the contract is modified as follows:
