Mr. Lin Deshun
General Manager
Qinshan Nuclear Power Co.
Haiyan Zhejiang, China 314300

Dear Mr. Lin:

I want to thank you for the time that you and your staff took from your important duties to meet me during my visit to the Qinshan Nuclear Power Station. I appreciated the informative overview presentation on its operation, and the opportunity to tour many areas within the plant.

I understand that the plant is now down for refueling and maintenance. I wish you success with the many operations now underway, and for many more years of continued safe operation.

Sincerely,

/s/

William D. Travers
Executive Director
for Operations
