| Subject: Amendment to Irrevocable Standby Letter of Credit | | | |
| <p>Summary:</p> <p>Sid Porter, interim RSO for Lockheed Martin, returned my call. The amendment to the LOC changes the first paragraph of their LOC from:</p> <p style="padding-left: 40px;">We hereby establish our Irrevocable Standby Letter of Credit in your favor, at the request and for the account of Lockheed Martin Corporation for its Valley Forge Decommissioning Funding Plan...</p> <p>To:</p> <p style="padding-left: 40px;">We hereby establish our Irrevocable Standby Letter of Credit in your favor, at the request and for the account of Lockheed Martin Corporation for its Communications and Power Center Decommissioning Funding Plan...</p> <p>I asked Mr. Porter if he was aware of the change and to confirm that this change is a name change only for the DFP and that it does not change the actual decommissioning location which is listed in Schedule A of the Standby Trust Agreement as: 230 Mall Boulevard, King of Prussia, PA.</p> <p>Mr. Porter stated that he was aware of the change and that the change in name better defines the DFP. He agreed that the change dose not effect the decommissioning location.</p> | | | |
