Joseph M. Farley Nuclear Plant
2000 Form NRC 5 Annual Report

Ladies and Gentlemen:

In accordance with 10 CFR 20.2206(b), the attached report of the results of individual monitoring carried out at the Joseph M. Farley Nuclear Plant (FNP) for 2000 is herewith submitted. The report includes a record for each individual for whom monitoring was either required by 10 CFR 20.1502 or for whom monitoring was provided but not required. The enclosed electronic media contains all the information required by Form NRC 5. This diskette is provided to the REIRS Project Manager. A printout of the contents of the electronic media is attached.

Furthermore, the following information is provided pursuant to the instructions contained in Appendix A of Regulatory Guide 8.7:

- File name: "nrc5_2000.rep"
- Date created: January 23, 2001
- Operating System and version used to format the disk: Windows NT, Version 4.0
- Other instructions:

If an individual experienced multiple exposure periods at FNP during 2000, the doses from the exposure periods have been summed and the monitoring start date provided is the monitoring start date of the individual's first exposure period and the monitoring end date provided is the monitoring end date of the individual's last exposure period.

If you have any questions, please advise.

Respectfully submitted,

Dave Morey
