Subject: Seabrook Examination - MC 320 Audit

Dave - thank you for bringing the exam info to Seabrook for my review. At this time for me to complete the audit I need some post examination documents. See the attached listing. I also was unable to get an electronic copy of the operating test from the facility - NRC e-mail was apparently not working very well when they attempted to forward. Therefore, I am also requesting copies of the Category A and B JPMs and questions (I observed and took some notes but did not want to ask the facility simulator instructor for his JPM copy.) Send as much of the info as possible electronically or if it has been placed on ADAMS provide me with the accession number(s) and I will go get.

I don't know. I believe we tasked Virgil with copying the requested material to send to you. I'm about to leave to go to IP2 for a quick EP inspection. Please check with Virgil about the requested material. Her number is 610-337-5379. I'm not trying to ignore you but I'm caught in the middle of putting out brush fires.

Dave - how is this week looking with respect to the exam material request below?

>>> David Silk 04/06 10:31 AM >>>

John,

I'll be glad to send you what ever you need but not any time soon. The best I could do might be the week of 4/17/00. If that is acceptable, please let me know. I believe that everything is finished with respect to the Seabrook exam. It's just a matter of copying the stuff and sending it to you. I'm involved with EP matters associated with IP2 and a Hope Creek EP exercise next week.
