Subject: "Columbia Generating Station Security and Training Qualification Plan, Revision 12"

I, D.W. Martin, being duly sworn, subscribe to and say that I am the Manager, Security Programs, ENERGY NORTHWEST, the applicant herein; that I have the full authority to execute this oath; that I have reviewed the foregoing; and that to the best of my knowledge, information, and belief the statements made in it are true.

The attachment to this letter contains information that is considered to be proprietary. In submitting this information to the NRC, Energy Northwest requests that the subject document be withheld from public disclosure in accordance with 10 CFR 2.790.

The following is furnished for consideration by the NRC in determining whether the information sought to be withheld from public disclosure, should be withheld.

1. The information sought to be withheld from public disclosure, is owned and has been held in confidence by Energy Northwest. It consists of information regarding security and training qualifications.
2. The information is being transmitted to the NRC in confidence under the provisions of 10 CFR 2.790 with the understanding that it is to be received in confidence by the NRC.
3. The information, to the best of my knowledge and belief, is not available in public sources, and any disclosure to third parties has been made pursuant to regulatory provisions or proprietary agreements, which provide for maintenance of the information in confidence.
4. Public disclosure of the information is likely to cause substantial harm to the security of Energy Northwest.
