Subject: Withholding Information from Public Disclosure

Reference: 10CFR Section on 2.790, "Public Inspections, Exemptions, Requests for Withholding"

Dear Mr. Collins:

Until his recent retirement, Mr. Joseph Kelly was Manager, Licensing Services for Framatome Technologies, Inc. (now Framatome ANP, Inc., see attached letter for explanation of that corporate change). Mr. Kelly was authorized to sign affidavits certifying that certain information should be withheld from public disclosure.

Effective February 1, 2001, and in accordance with 10CFR Section 2.790, Mr. Raymond W. Ganthner, Vice President, Engineering and Licensing, is delegated the function of reviewing information to be withheld from the public and the authorization to apply for its withholding on behalf of Framatome ANP, Inc.

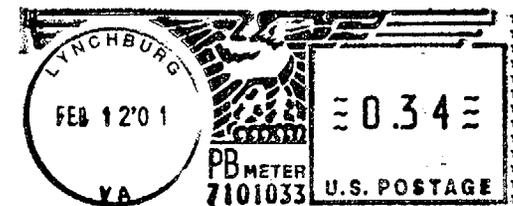

Sincerely,

  
Thomas A. Christopher
