61 Forsyth Street, S.W. Suite 23785
Atlanta, GA 30303-8931

Dear Mr. Pelchat:

Please find enclosed, information supporting our application for a Radioactive Materials License for: Governor Juan F. Luis Hospital and Medical Center in Christiansted, St. Croix, U. S. V.I.

Evidence of continuing education for Dr. Andre Galiber and Dr. Angelo Galiber is attached. Each physician has been actively practicing Radiology/Nuclear Medicine since Board Certification.

Work experience as required for Dr. Griffith is being pursued at his Institution. We will submit his name for authorized user status at a later date.

It is requested that each authorized user be granted authorization to use materials listed in 35.100 and 35.200.

The Mo99-Tc99m generator will be kept in the lead lined shield as supplied by the manufacturer. The generator will be stored on the floor next to the lead-lined trashcan.

Lead shielding is available in the hot lab area. A lead lined L-shield as well as lead bricks will be used. This will also allow us to have a shielded area for dose prep and storage. Leaded vial shields, leaded syringe shields will be used. Long handled forceps will be available, as will disposable rubber gloves and other associated safety devices as needed and or directed by the Radiation Safety Officer.

We wish to utilize DTPA Aerosol for lung ventilation studies. We will use a single use shielded device, commercially available. These units once used will be decayed in storage prior to disposal.

We will use our Gamma Camera for wipe test analysis. Calculations showing the MDA is sufficient to detect 2000 dpm will be available.

Sam Nunn Atlanta Federal Center
01/24/01...Page 2

If Dr. Andre Galiber, Jr. CME documents qualify him to be a Radiation/Safety Officer, then Governor Juan F. Luis Hospital will designate him as such. However, if it is more expedient to obtain our material license to have Dr. Dante Galiber as the Radiation/Safety Officer then he will be our designee.

Thank you for your attention in these matters. Please feel free to contact me, should you need any further information.

Sincerely,

A handwritten signature in black ink, appearing to read "Thomas D. Robinson", written in a cursive style.

Thomas D. Robinson, FACHE
Chief Executive Officer

Chair, Education/CME Committee

American Roentgen Ray Society

1998 Annual Meeting, San Francisco, CA Course Attendance Record Sheet

This attendance sheet is designed to help you keep track of the CME credits earned for the programs you attend. Following this meeting you will receive a letter from the American Roentgen Ray Society indicating that you may claim up to 43 AMA/PRA Category 1 credits for your participation. One credit is given for each hour of attendance at an event. You are responsible for keeping track of your own attendance. Please return the top copy of this form to the meeting registration desk or mail it to the ARRS administrative office, keeping the second copy for your own files.

Dr. Angelo K. Galiber

September 18, 2000

Angelo K Galiber M.D.
PO Box 5984
Christiansted, VI 00823-0823

Dear Dr. Galiber:

This letter is to verify your participation in the American College of Radiology's Continuous Professional Improvement (CPI) Program. The ACR--an organization accredited by the Accreditation Council for Continuing Medical Education--is awarding Continuing Medical Education (CME) credit on an hour-for-hour basis for fulfilling the requirements of this course.

In Category 1 of the Physician's Recognition Award of the American Medical Association, you may claim up to 6 credit hours for fulfilling the following module(s):

Module : 025 Breast Radiology 07/17/00 6 hours

Thank you for participating in this important ACR educational endeavor.

Sincerely,

Lawrence P. Davis M.D.

Lawrence P. Davis, M.D., FACR
Chair, Committee on Accreditation for Continuing Medical Education

**PLEASE RETAIN THIS LETTER FOR YOUR

Angelo Galiber, MD

*7th Annual
Breast Imaging and Update
in General Diagnostic Imaging:
Neuroradiology, Abdominal, & MR Imaging*

*March 6-10, 2000
Boca Raton Resort & Club, Boca Raton, Florida*

The University of Chicago Pritzker School of Medicine designates this course for a maximum of 31 hours in Category 1 credit toward the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity. Of these hours, 18.5 are in mammography, including 3 hours in ultrasound-guided breast biopsy (if both workshops attended). Note that these latter 3 hours satisfy the requirements for the Ultrasound-guided Breast Biopsy Accreditation Program for the American College of Radiology.

Thank you for participating in **RadioGraphics** CME, an activity offered by the RSNA, an ACCME-accredited sponsor of CME for physicians. Successful completion of this activity—a score of 80% or greater on each **RadioGraphics** CME test—meets the criteria for 1.0 credit hour in Category 1 of the AMA Physician's Recognition Award. Answer forms postmarked after the posted deadline are not eligible for credit.

Continuing Education in Mammography

7/15/99
 GALIBER, Angelo K. MD
 Last name First name MI Degree

Office Use: _____
 MAP ID No. _____

Date prepared: 5/10/99

Instructions:

Continuing education activities may be documented by using this form or another of your choice. List each continuing education activity below, indicating dates, other descriptive information and the number of hours specific to mammography.

Formal Programs:

Specify the program title, location, dates attended and the number of hours specific to mammography. Indicate if the formal program is approved for AMA Category 1 credit hours by an organization accredited by the Accreditation Council for Continuing Medical Education (ACCME).

Informal Activities:

Study of medical literature: Journals: specify title of journal article, journal name, issue; **Textbooks:** specify book title, authors.
Teaching mammography related services: indicate type of education, subject, institution, date of program, preparation time for lectures or teaching.
Preparation and publication of scientific papers: Specify number of hours involved in preparing the articles.
Presentation of exhibits of medical associations or groups: Specify preparation time as an exhibitor.
Other self-directed learning: Describe activity, indicating dates, and other appropriate information.

RECORD OF HOURS OF ATTENDANCE

RSNA '97

RSNA 83rd SCIENTIFIC ASSEMBLY & ANNUAL MEETING
NOVEMBER 30 - DECEMBER 5, 1997

ANGELO GALIBER MD
P O BOX 5984
CHRISTIANSTED, VI 00823

DATE: December 19, 1997
BADGE NO.: 193290
CERTIFICATE NO.: 97352193290 (1)

The Radiological Society of North America is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians. The Radiological Society of North America designates that the activities listed below meet the criteria for Category 1 credit for the American Medical Association Physician's Recognition Award on an hour-for-hour basis. Category 2 credit hours are listed for the convenience of the attendee. This record confirms that the individual designated attended the scientific assembly and participated in the listed activities. Attendance at specific activities of the scientific assembly should not be construed as training that would constitute competency in the subject matter.

This report is the computer accumulation of vouchers submitted at the scientific assembly and is provided as a help in record keeping. It may not reflect the total hours of attendance if vouchers have not been appropriately used. If that is the case, it is the responsibility of the individual to correct his/her own records in accordance with the honor system which is customarily observed in reporting continuing medical education credit hours. This record of attendance is available only to the designated individual and will not be supplied to accrediting agencies and other organizations. The individual is charged with the responsibility of maintaining his/her own record of accumulated hours.

The University of Chicago Pritzker School of Medicine designates this course for a maximum of 31 hours in Category 1 credit toward the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity. Of these hours, 18.5 are in mammography, including 3 hours in ultrasound-guided breast biopsy (if both workshops attended). Note that these latter 3 hours satisfy the requirements for the Ultrasound-guided Breast Biopsy Accreditation Program for the American College of Radiology.

Angelo K. Galiber, MD
Participant Signature

I certify that I have attended this course for
31 hours category 1 Credit. Of these,
18.5 are in Mammography

Marlene Goldberg, Director

Continuing Education in Mammography

GALIBER, Angelo K. MD
Last name First name MI Degree

Office Use: _____
 MAP ID No. _____

Date prepared: 5/10/99

Instructions: Continuing education activities may be documented by using this form or another of your choice. List each continuing education activity below, indicating dates, other descriptive information and the number of hours specific to mammography.

Formal Programs: Specify the program title, location, dates attended and the number of hours specific to mammography. Indicate if the formal program is approved for AMA Category 1 credit hours by an organization accredited by the Accreditation Council for Continuing Medical Education (ACCME).

Informal Activities: Study of medical literature: Journals: specify title of journal article, journal name, issue; Textbooks: specify book title, authors. Teaching mammography related services: Indicate type of education, subject, institution, date of program, preparation time for lectures or teaching. Preparation and publication of scientific papers: Specify number of hours involved in preparing the articles. Presentation of exhibits of medical associations or groups: Specify preparation time as an exhibitor. Other self-directed learning: Describe activity, indicating dates, and other appropriate information.

Program Title/Activity	Description	Location	Dates (MM)	Hours Specific to Mammography	Formal Program Only Approved for AMA Category 1 credits? Yes or No	Office Use Only
