Discuss Downcomer Boiling", LTR-NRC-00-5979, September 7, 2000.

Dear Mr. Dembek:

Enclosed are three copies each of proprietary and non-proprietary versions of the presentation material for the subject meeting entitled "Assessment of Conservatism in the 1981 Westinghouse Large Break LOCA Evaluation Model with BASH".

This submittal contains Westinghouse proprietary information consisting of trade secrets, commercial information, or financial information which we consider privileged or confidential pursuant to 10 CFR 2.790. Therefore, it is requested that the Westinghouse proprietary information attached hereto be handled on a confidential basis and be withheld from public disclosures. Accordingly, correspondence with respect to this letter should reference the Application for Withholding and accompanying Affidavit (AW-00-1422) that were provided in Reference 1.

This material is for your internal use only and may be used for the purpose for which it is submitted. It should not be otherwise used, disclosed, duplicated, or disseminated, in whole or in part, to any other person or organization outside the Commission, the Office of Nuclear Reactor Regulation, the Office of Nuclear Regulatory Research, and the necessary subcontractors that have signed a proprietary non-disclosure agreement with Westinghouse without the express written approval of Westinghouse.
