My name is Jim Bartosch. For this FOIA request, I request a list of all the licensee Environmental, Safety, and Health (ESH) contacts at each of the NRC licensed reactor facilities. I'm looking for names and phone numbers. If specific names are not available licensee ESH department phone numbers would be adequate. I'm going to do some research on the variety of wildlife at these facilities. The contacts would be able to point me toward existing documentation which is likely to be on the NRC docket. Hopefully I won't waste everybody's time with broad requests. I requested the information from the PDR but they did not have the information. Thank you in advance for the help and happy holidays.
