SUBJECT: CE NUCLEAR POWER LLC - ACCEPTANCE OF APPLICATION FOR TRANSFER
AND AMENDMENT OF LICENSE NO. SNM-33 (TAC NO. L31469)

Dear Mr. Bell:

We have received your application, transmitted by letter dated February 16, 2001, requesting approval of the transfer and amendment of the Materials License SNM-33 from Combustion Engineering Nuclear Power LLC to its parent, Westinghouse Electric Company LLC. Your request has been assigned TAC No. L31469. Please reference this number in any future correspondence associated with this request.

We have completed our acceptance review of your application and have identified no administrative omissions or deficiencies. The application has been accepted for formal review. Please note that the formal review may identify omissions in the submittal information or issues that require additional information.

Based on our acceptance review and projection of current review schedules, we anticipate completing our review by the end of March 30, 2001. This date could change depending on the findings of our review, urgent assignments, or other factors. We will promptly communicate any significant changes to this schedule. I can be reached at (301) 415-6640 or by e-mail at mwh1@nrc.gov.

In addition, a copy of your submittal has been forwarded to the License Fee and Accounts Receivable Branch, Office of the Chief Financial Officer, who will contact you separately if the appropriate license fee has not been submitted for your request, or for billing if your request is subject to full cost fee recovery.

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/NRC/ADAMS/index.html> (the Public Electronic Reading Room).

Sincerely,

/ra/
