Subject: Here is a copy of my report.

Here is a copy of my report. There is also a short cover letter (<1page) that forwarded the report to G. Holahan. I sent you a copy of the cover letter in a holey joe today.

Subject: Consequence Analysis

Jason,

Have you provided anything to NRR on the consequence analysis?? If so please send me a copy. I would like to check the assumptions and results.

Also, did you get a chance to look at my write up on the old reports?? any comments/improvements??
