SUBJECT: RETURN OF FINANCIAL ASSURANCE DOCUMENTS

Dear Mr. Walker:

We have recently conducted an audit of our Financial Assurance records to ensure that our records are properly safeguarded and complete, in accordance with our Management Directive 8.12, "Decommissioning Financial Assurance Instrument Security Program." Upon completion of our audit, we discovered that certain "original" financial assurance instruments have either been superseded or outdated. As such, these papers belong to you and are being returned.

The purpose of this letter is to return these "original" financial instruments to you in accordance with our Management Directive 8.12 which states: "All original, executed copies of the applicable financial assurance instruments that are no longer valid must be returned to the licensee." The appropriate documents are enclosed.

We appreciate your cooperation in this matter. If you have any questions, please contact Kathy Modes of my staff, at (610) 337-5251.

Sincerely,

Original signed by John D. Kinneman
