NOTE

The STP Director's Secretary is responsible for the maintenance of this master copy document as part of the STP Procedure Manual. Any changes to the procedure will be the responsibility of the STP Procedure Contact. Copies of STP procedures will be distributed for information.

I. INTRODUCTION

This procedure describes the process to be followed by the Office of State and Tribal Programs (STP) in handling: (1) allegations involving Agreement State licensees; (2) concerns involving alleged performance or alleged wrongdoing by an Agreement State employee other than the Radiation Control Program (RCP) Director; (3) concerns involving alleged Agreement State program performance or alleged performance or alleged wrongdoing by the RCP Director; and (4) allegations under the Nuclear Regulatory Commission's (NRC) jurisdiction (e.g., those involving NRC licensees).

II. OBJECTIVES

To assure allegations involving Agreement State licensees and areas of NRC's jurisdiction, and alleged concerns involving Agreement State programs and employees are properly and expeditiously handled.

III. BACKGROUND

Management Directive (MD) 8.8, *Management of Allegations*, establishes the Agency procedures for handling allegations. MD 8.8 provides guidance on handling allegations involving Agreement State licensees and directs staff to refer allegations concerning performance or wrongdoing issues involving Agreement State employees to STP for appropriate handling. This internal procedure provides further guidance to STP staff in handling such allegations and concerns in accordance with Commission direction provided in Staff Requirements Memorandum (SRM) - SECY-98-192 - *Resolution of Allegations Concerning the Performance of Agreement State Programs*, dated December 8, 1998. This SRM provided the following:

“Continue entry into the allegation management system of allegations concerning Agreement State licensees and closure of that allegation after review by Regional Allegation Review Boards (ARBs) and transfer to the appropriate RCP Director. Allegations concerning Agreement State performance or wrongdoing would be treated as concerns, and transferred through correspondence from STP, rather than treated as an allegation. Absent a credible health and safety concern, Agreement State program performance concerns, or performance or wrongdoing concerns involving the RCP Director, would be referred to either the Agreement State Inspector General (IG), Attorney General (AG), or senior line management

above the RCP Director level, as appropriate, based on a decision by STP using criteria to be developed, without convening an ARB. Allegations concerning employee performance or wrongdoing, except that of the RCP Director, should be initially referred to the RCP Director. Should NRC subsequently find the matter to not have been appropriately followed up, the matter can be re-referred by the NRC to the line management over the RCP Director or to the IG or AG. The alleged would be informed of the referral. NRC action to conduct a special evaluation of the adequacy and compatibility of an Agreement State program should be initiated when significant, valid safety concerns are identified.”

B. Allegor's Identity Protection When Making Referrals To Agreement States

Before making any referrals to an Agreement State, all reasonable efforts should be made to inform the allegor(s) of the referral in accordance with Handbook 8.8. In addition, staff should determine the ability of the State to protect the identity of the allegor by referring to Appendix C, *Ability of Agreement States to Protect Allegor's Identity from Public Disclosure*. When contacting the allegor, staff should inform the allegor of the NRC's plans to refer the allegation or concern to the State, inform the allegor of the State's ability to protect his/her identity from public release, and inquire whether the allegor wishes for his/her identity to be released to the State. The staff should also encourage the allegor to contact the State directly regarding their concern(s). The staff should inform the allegor that the Agreement States prefer to be contacted directly since it allows the State to obtain all the necessary information directly and facilitates their response. In addition, the staff should inform the allegor that direct contact with the Agreement State provides the advantage of a more timely response in most cases. If the allegor indicates that he/she would like to contact the State directly, the staff should provide the allegor with the contact person's name and telephone number, if available. If the allegor indicates that he/she would not like to contact the State directly, staff should follow the guidance in Handbook 8.8, concerning referrals to Agreement States and the protection of the allegor's identity.

The STP OAC should refer the allegations to the appropriate Regional Office for action according to paragraph C, *Processing Allegations Involving Agreement State Licensees*, of this section. However, if the Allegations also address Agreement State performance or wrongdoing concerns, after coordination with the appropriate Regional Office, STP should refer the concerns to the State.

A meeting may be held when the alleged concern or concerns involve more than one category of alleged concern-- performance, wrongdoing, or Agreement State licensee or if there is no clear delineation of the type of concern. In addition, on at least a quarterly basis, a status meeting will be held to discuss all open allegations with STP management.
