Division of Civilian Application

Subject: Amendment to our Source Material License  
C-3395

Gentlemen:

We herewith request that the above license be amended to permit Nuclear Development Corporation of America to receive, store and utilize 500 lbs. F-3 Fuel Mixture, 40# Source Material, which will be used in corrosion and feasibility studies of molten fuel for circulating fuel program.

This material will be utilized at our present location, namely, 5 New Street, White Plains, New York.

We trust that the information contained in this letter will be sufficient to amend our license.

Very truly yours,

NUCLEAR DEVELOPMENT CORPORATION of AMERICA
