Monticello, MN 55362-9637

SUBJECT: MONTICELLO NUCLEAR GENERATING PLANT - WITHDRAWAL OF AN  
AMENDMENT REQUEST (TAC NO. MB0649)

Dear Mr. Morris:

By application dated November 28, 2000, Nuclear Management Company, LLC (NMC), applied for an amendment to Operating License No. DPR-22 for the Monticello Nuclear Generating Plant. The proposed changes would have modified the facility Technical Specifications (TSs) by establishing TSs for the emergency service water system and by adding a general limiting condition for operation to provide requirements when a support system included in the TSs is inoperable. By letter dated January 17, 2001, the staff provided comments to NMC regarding the application. Subsequently, by letter dated February 28, 2001, you withdrew the amendment request.

The Commission has filed the enclosed Notice of Withdrawal of Application for Amendment to Facility Operating License with the Office of the Federal Register for publication.

Sincerely,

*/RA/*

UNITED STATES NUCLEAR REGULATORY COMMISSION

NUCLEAR MANAGEMENT COMPANY, LLC

DOCKET NO. 50-263

NOTICE OF WITHDRAWAL OF APPLICATION FOR

AMENDMENT TO FACILITY OPERATING LICENSE

The U.S. Nuclear Regulatory Commission (the Commission) has granted the request of Nuclear Management Company, LLC (the licensee), to withdraw its November 28, 2000, application for proposed amendment to Facility Operating License No. DPR-22 for the Monticello Nuclear Generating Plant, Unit No. 1, located in Wright County, Minnesota.

The proposed amendment would have revised the facility Technical Specifications (TSs) by establishing TSs for the emergency service water system and by adding a general limiting condition for operation to provide requirements when a support system included in the TSs is inoperable.

The Commission had previously issued a Notice of Consideration of Issuance of Amendment published in the FEDERAL REGISTER on December 27, 2000 (65 FR 81925). However, by letter dated February 28, 2001, the licensee withdrew the proposed change.

For further details with respect to this action, see the application for amendment dated November 28, 2000, and the licensee's letter dated February 28, 2001, which withdrew the application for license amendment. Documents may be examined, and/or copied for a fee, at

the Commission's Public Document Room, located at One White Flint North, 11555 Rockville Pike (first floor), Rockville, Maryland, and which is accessible electronically through the ADAMS Public Electronic Reading Room link at the NRC Web site (<http://www.nrc.gov>).

Dated at Rockville, Maryland, this 14th of March 2001.

FOR THE NUCLEAR REGULATORY COMMISSION
