Gentlemen:

Enclosed is a copy of the AEC regulation, entitled "Standards For Protection Against Radiation", which establishes standards to be followed in handling radioactive materials which are subject to the licensing authority of the AEC. Special nuclear material such as you handle under your AEC license is included in this category of radioactive materials.

The effective date of this regulation is February 28, 1957.

Very truly yours,

md

Lyall Johnson
Chief, Licensing Branch
Division of Civilian Application
