I, THE UNDERSIGNED, HEREBY CERTIFY THAT:

- All information in this report is true and complete.
- I have read and understand the provision of the general license to CFR 158.20 required on this notification or this form; and I understand that I am required to comply with these provisions at all hydrographic, source, or special nuclear material which I possess and use in non-agreement states or off-shore waters under the general license for which this report is filed with the U.S. Nuclear Regulatory Commission.
- I understand that activities, including storage, conducted in non-agreement states under general license 18 CFR 158.20 are limited to a total of 180 days in calendar year, with the duration of work conducted in off-shore waters, which is authorized for an unlimited period of time in the calendar year.
- I understand that I may be inspected by NRC at the above stated work site location and/or licensee home office address for activities performed in non-agreement states or off-shore waters.

I understand that conduct of any activities not described herein, including copying of activities or locations or locations delivered from those described above or without NRC authorization, may subject me to enforcement action, including suspension or revocation of my license.

CHRIS CHANDLER, RSO (Signature)
