Jason,

I will be your contact from DET in preparing a response to this request.

Briefly, Items 1 & 2 have been completed as noted in the request memo. Item 3 is in hand and will be sent to NRR in time to meet their due date of Sept. 20. Item 4 can be delivered by the due date of Oct. 2 provided the materials to be reviewed are available by Sept. 22 in electronic form for transmission to the consultant. Item 5 - the consultant is under contract to support both the ACRS subcommittee and the full committee.

As you prepare the response and need more detail, let me know.

Andy Murphy
