Vermont Yankee Emergency Plan Exercise**

During a recent inspection of the Vermont Yankee (VY) Emergency Planning function, the NRC inspector, requested that VY formally provide the scheduled date for the upcoming graded emergency exercise. The exercise was originally scheduled for September 12, 2001, but this presented a conflict for the states involved. The exercise is currently scheduled to occur on September 5, 2001.

We trust that the information provided is adequate; however, should you have questions or require additional information, please contact Mr. Alfred R. Chesley at (802) 258-4152.

Sincerely,

VERMONT YANKEE NUCLEAR POWER CORPORATION
