

DDO
1/14/99

1145 AM

Interview ofaddy head McCormick,
Component Eng Supp since 1996.

1995 ~~Under Steam Supply~~
MSSS Supp Eng Supp - Refuted Dir
TO Khaul

~~preparing~~ TO START UP - Nov 1995

Training
Travel finances tight.

nothing other than what was recalled by
Khaul during Doc.

NO directions to NOT fight PER DCU

IF were said people would have
~~observed~~ discussed statement.

people were encouraged to fight PER'S
~~APP~~

Apr 1995 - screws found in melt tank &
Curtis overall ID problem & wrote PER'S
pertained to fuel loading

G/10

Needed needer to ID problem prior
TO fuel load - in order NOT to ID problem AT

McCormick
H&M House

pg 2

Notes shared A Joint House Meeting on
May 11 1995, but don't recall meeting's
specifics - notes show they have been
a morning meeting
~~Pers are~~

10-20 pers in progress
0.5 A month in 1995

~~Not~~
PERS Did increase
prior to fuel loading
Number of pers & work
would be less than current
00 Tech Support
New fuel loading pers
were utilized & looked AT
Sponsored by McCormick
& other guest Manager

Interviewed before on this
specific issue about record

No Address of issue in DOL history

* Non Fuel load PERS & Fuel load PERS
~~from~~ Soperated & Designated H&M & when
to Address issues

McCormick

Pg 3

system dealing with fuel load

START of group ^{tech} looked AT list from system

~~Received system to test~~
Before turned over TO plant tech support

70-80 people in tech support

usually half would show up

NO one ever made A complaint
TO Muz.
