**Re: Doug King Associates, Inc. v. Teledyne Environmental, Inc., et al (United States District Court for the Western District of North Carolina, Civil Action No. 1:01CV42-T)**

Dear Ms. Reed:

On behalf of our client, Teledyne Brown Engineering, Inc. ("Teledyne") and in connection with the above-referenced litigation, we request the documents listed below be made available for inspection and copying pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552 as implemented by DOE Regulation found at 10 C.F.R. §9.23:

1. Any and all documents related to licenses obtained by Teledyne from the Nuclear Regulatory Commission ("NRC").
2. Any and all documents related to Sales Agreement ORO-8009 between the United States Department of Energy ("DOE") and Doug King Associates, Inc. ("Doug King"). The DOE contracting officer for this Sales Agreement was Willis Davis.
3. Any and all documents related to any dispute between the DOE and Doug King arising from the Sales Agreement, or services performed by Doug King pursuant to the Sales Agreement.

None of the requested documents are exempt from release under FOIA.

Please advise us as soon as you have been able to accumulate the requested files so that we may arrange to review them. We will agree to be responsible for any copying charges.
