

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555

May 18, 1988

MEMORANDUM FOR THE RECORD

FROM: Samuel J. Chilk, Secretary

SUBJECT: ANNUAL BRIEFING ON THE STATE OF THE NUCLEAR
INDUSTRY, 10:00 A.M., WEDNESDAY, MAY 4, 1988,
COMMISSIONERS' CONFERENCE ROOM, ONE WHITE FLINT
NORTH (OPEN TO PUBLIC ATTENDANCE)

The Commission* met with the representatives of the Nuclear Power Oversight Committee on the industry's perspective of the state of the nuclear industry.

Representing the Committee were:

- o Robert K. Campbell
Chairman, President and CEO
Pennsylvania Power and Light
- o James J. O'Connor
Chairman and CEO
Commonwealth Edison Company
- o Sherwood H. Smith
Chairman, President and CEO
Carolina Power and Light Company

There were no requirements placed on the staff at this meeting.

(Subsequent to the meeting, the General Counsel requested the Secretary to serve the Seabrook and Shoreham parties excerpts of the transcript where Mr. O'Connor made reference to the Seabrook and Shoreham plants. Those references may be subject to the Commission's Ex Parte Rule. On May 9, 1988, the Secretary served the Shoreham and Seabrook parties pages 10 and 16 of the meeting transcript.)

* Commissioner Roberts was not present.
