Dear Mr. Zirkes:

I am responding to your note which was typed on the second notice for Invoice No. R0022-01. You stated that you had sent the required license fee in a timely manner because you accidentally sent the check without the form justifying the low licensing fee. The invoice you received (R0022-01) was not a license fee invoice but was an invoice for costs associated with the mailing labels provided to you by the Office of Nuclear Material Safety and Safeguards. The second notice for this invoice was mailed prior to receipt of your payment. We have received the payment for this invoice and have closed this account.

Sincerely,

R/A
