Subject: Confirmatory Action Letter (CAL No. 2-01-01) Response

1. Dose assessment of January 13, 2001:
A brief update on the January 13, 2001 incident. We have made arrangements to fly Mr. Kyle Manuel back to our facility on April 2nd for further follow up on the incident. We will gather all the data and measurements and resubmit this new information to AEA Technology for dose assessment.

Thank you for your patience regarding this matter. If you have any questions, please contact myself Scott W. Kimbel at 340-692-3617.

Sincerely,

Scott W. Kimbel
Radiation Safety Officer
